How has Section 8 Assistance Changed my Life?

Are you willing to share with HUD and other elected officials how the Section 8 assistance offered through the Housing Authority of Snohomish County (HASCO) has benefited your family? HASCO wants to share your story to inspire others about the housing programs we offer and how additional housing assistance would benefit Snohomish County.

If you would like to submit your story, please provide a separate sheet of paper explaining what your life was like prior to receiving your housing assistance and how the assistance has improved your family's circumstances. You can also request HASCO staff to write your story for you.

If your story happens to be chosen, we will share your information with HUD, other agencies and/or elected officials and we will place it on our website if you sign the release below.

We will not include your name, or city unless you want it published. If you are willing to share your story, please check the applicable boxes and sign in the space provided below and return to your assigned Housing Authority staff with your story and, only if you choose, your photograph.
