**Item D. ACTION on Minutes of the January 21, 2025 Regular Meeting** 

Item E. Resolution No. 2358 Authorizing Payment of February 2025 Expenditures

#### **INFORMATION ITEMS**

#### Item F. – Finance Report

David Allard and Pam Frost provided the Finance report through December 31, 2024. The strong housing market is contributing to a good financial report for the agency. HASCO properties continue to have a low vacancy rate, some with zero vacancy.

Operating revenue was accurately budgeted, with increased operating revenue of 5% from last year. The budget shows a 1% variance in terms of expenses and an increase of 11% over last year. Debt payments were slightly higher due to a line of credit for Hadley's Acres not included in the budget. Net income was within 2% of the budget.

Most of HASCO's revenue comes from the Fair Market portfolio, which helps to cover the costs of other projects, purchasing properties, and other programs. Alpine Ridge saw some increased expenses due to underground utilities. Operating revenue increased by 5% overall, along with an increase in operating expenses.

Section 8 continues to work on a break-even budget based on the previous year's budgets, with housing assistance payment funding for vouchers and administrative fees covering administration costs. The total number of vouchers that HASCO issued including Section 8 and special programs is 3,437. This program has admin fee available to support additional hiring due to the increase in work. COVID and inflation continue to affect our lease up rate which hovers around 97%. Seattle Housing Authority and King County Housing Authority have begun to absorb ported vouchers which will cause some attrition to the lease rate. Based on these examples, HASCO has started absorbing ported vouchers as it makes sense for the program.

The Balance Sheet reflects investments of around 60% of assets in the Fair Market portfolio, which helps to cover other HASCO programs. The Fair Market portfolio also brings in around \$4.2M in cash flow.

#### Item G. – Legal Counsel Report

Faith Pettis advised that this has been a quiet month. Her legal team has been in contact with the Internal Legal Affairs team regarding several complaints from a tenant. In addition, the team drafted a letter of intent for a potential property purchase.

#### Item H. – Commissioners' Report

The Commissioners had nothing to report.

#### <u>Item I. – Chief Executive Officer Report</u>

Laurie Olson advised that she would have different teams showcase their programs at each Board meeting.

Marcus Showalter presented on the work of the Community Services team and provided an overview of the program. The team provides resources to clients and the public, maintains HASCO's waitlists, coordinates community building events, and provides housing navigation and supportive services across the community. The team assisted 66 new participants in locating and securing housing. The Navigators support a caseload of 234 households. This year brought an expansion of on-site supportive services.

The team also provides community events at HASCO properties including pizza, BINGO, and prizes. They support the Books on the Go program by putting together sets of age-appropriate books for the Inspectors to leave with families which build a positive rapport. The team partners with Campfire, which provide functions similar to school programs and are at two sites once a week. Lobby Day is another offering from the team to highlight smaller agencies in Snohomish County for visitors to the office. Lastly, the team put together the Story of Us, encouraging people to share their stories on a bulletin board in the lobby.

Victor Caesar provided the Development update. He advised that the first step in land use permitting has begun for the 200<sup>th</sup> St. property in Lynnwood with a goal of closing by the end of the year. He also advised that the Alpine Ridge project for the CBDG application was declined due to an increase in applications from the community. He continues to look for another source of funding for the project.

A request for qualifications has been released to locate a developer for the Marysville parcel. The team is reviewing them now as they were due last week.

Laurie Olson provided the CEO update. HASCO is in a fairly good position, financially, which allows the team to think about growth and expansion. The team is working on pulling reports that will guide the agency into a three-year strategic planning process. Also, HASCO would like to invite the Board to a retreat to help set the foundation of where the agency will go. Chris Collier, with the Alliance for Housing Affordability, will record mini seminars during April and May to be shared.

Laurie advised that she and Mary Swenson, interim Executive Director at EHA, will spend some time together at the AWHA conference and will finalize the dates for the lunch between the two Boards. She is hoping this will encourage collaboration between the two agencies.

EHA has asked HASCO to partner with them on the Mariner Square project by adding more units to the project.

Laurie met with Former Representative Frank Chopp and Ruth Kagi regarding the Vaughn Village project. Next month, the team will revisit the project with Mayor Frizzell. Laurie has been asked to join an advisory committee by the Everett Alliance, proposing a project at the Everett Transit center. She would provide advice, as the location is not within HASCO's jurisdiction. Lastly, Laurie advised she would like to meet with each individual Commissioner bi-annually.

#### **ADJOURNMENT**

Commissioner Distelhorst moved to adjourn the meeting, and the meeting was adjourned at 12:45 pm.
